

MINUTES OF PRE-CONSULTATION MEETING HELD FOR SHORT TERM SKILL TRAINING PROGRAM (DOMAIN EXPERT) TO BE IMPLEMENTED FOR UKWD PROJECT

Project Name:	Uttarakhand Workforce Development Project		
Date of Meeting:	01-08-2022	Time:	11:00 am
Meeting Facilitator:	Uttarakhand Skill Development Mission	Location:	Meeting Hall, Woman ITI, Near Survey Chowk, Dehradun 248001(UK)

Meeting Objective	Pre-consultation meeting for Empanelment of Industry Partners/ Domain Experts as Domain Experts / Industry Partners for Placement-linked Skill Development Programme
Attendees	UKSDM official & 17 representative from different organizations.

S.No	Query	UKSDM Response
1	Turnover for eligibility criteria should be total reduced form 25 crore.	1. an average annual turnover of at-least INR 25 crores in any three financial years in last five FYs (unless exempted as per criterion A5 below). 2. Also refer to page 25, Eligibility criteria of RFP document 3. No relaxation granted. clause remains unchanged.
2	Payments as defined in the RFP shall be as per Common Norms. This would rule out taking up skilling in hi end IT Job roles in the domain of Block chain, AI, Cloud Computing , etc as the training and faculty for these job roles is fairly expensive. Kindly clarify, whether additional pay-out to TP can be provided to TP, in case the TP opts for training in hi end IT job roles.	1. All payments under the projects shall be as per common norms for various trades/sectors/Job roles approved under NSQF (fixed cost for skill component) 2. No additional payments under any head will be made
3	Relaxation /reduce the manpower strength as on March 22 from 500.	No relaxation granted. clause remains unchanged.
4	Deliverables Sec 2b : Condition regarding 25% placement within the Training Industry or its sister concerns. This assumes that Industry organizations would themselves be providing Skill Training. They may not have skilling experience. On the other hand, Companies like ours which have required Skill Training experience do not employ such manpower in-house. However, we do buildup tie-ups with Industry partners for placement. Hence, condition may be amended suitably.	No relaxation granted. clause remains unchanged.
5	Consortium/Joint Venture should be allowed in RFP	No
6	Can placement of trained candidates be done in other similar industries.	Yes, only 25% placement within the Training Industry or its sister concerns.
7	Job roles not mentioned in the RFP documents.	Companies need to match their core business with Job roles approved by SSC's
8	Mode of training residential or non-residential	Both as per availability of infrastructure
9	Whether the conveyance, OTT and PPS would be provided for the training	It will be as per the MSDE guidelines on STT
10	What are the preferred sectors?	No preferred sectors at RFP stage.
12	Government bodies /government-aided/semi-government institutions, public sector units, state sector corporations, autonomous organizations can be onboarded directly	No, all the applicants need to participate in the bid process.

Note: Submission of required information/data should be exactly as per the formats/Annexure given in the RFP any change in the same will lead to cancellation of proposal.

- UKSDM reserve all the rights for the final explanation & Selection
- The envelope containing the proposal documents should clearly state whether the proposal is under an exemption category or not.
- It is reiterated that the last date of submission of proposals in hard copy at UKSDM office is August 5, 2022, 5:00Pm.
